Friday, December 6th

10am-5pm

Viking Treasures celebrates St. Nicholas all day (10-5), rain, snow, or shine, on St. Nicholas Day, December 6th.

St. Nicholas walks around town and into most non-restaurant businesses, carrying and distributing citrus fruit (usually Clementines (a.k.a. "cuties")) as gifts. For Scandinavian countries, and indeed much of Europe, to receive a citrus fruit in December was considered quite a treat even into the 20th century, since in the past they didn't have the distribution channels we enjoy today.

He reminds people about St. Nicholas's kindnesses (such as giving anonymous gifts) when he was

alive (270-342 CE), and encourage them to do something nice for someone else without expecting any compensation. People often reminisce with me about their celebration of the day, both in the past and currently.

The Long Grove Lions Club chapter has achieved the coveted \$1 million raised milestone in its 36-year history of supporting the community. To commemorate this accomplishment, a public celebration will be held at Buffalo Creek Brewing on Thursday, December 12th to officially write and present the 7-digit barrier-breaking check to a local charity. Beginning at 6 pm, the Long Grove Lions Club will host a holiday-themed party, which will include: live music (6:30 pm to 8:30 pm) by Chicago's top 90's cover band, Run Forrest Run, complimentary food, fresh craft beer, and a historic check presentation ceremony (7:30 pm, media are encouraged to attend and photograph) attended by

village trustees and other local dignitaries. A \$10 suggested donation to support Lions Club partner charities will be requested at the door.

Throughout Holiday Season:

Letters to Santa at Ma & Pa's Candy

We have a mailbox in front of our store where kids can drop their Letters to Santa.

The letters will be delivered to the big man himself! ;-)

He will be crafting a personal note back to each boy or girl who drops off a letter.

Kids can use our template paper or write their own. Parents and kids just need to make sure a complete address is included on the letter so Santa knows where to mail back his note. We have letter templates inside the store and also at The Village

Tavern. After hours we're keeping some templates on a shelf below the mailbox with pencils.
